

ICD-10 Provider Readiness Assessment

January 31, 2014

Alaska Medical Assistance is working in conjunction with the Centers for Medicare and Medicaid Services (CMS) to assess provider readiness for ICD-10 implementation. The purpose of this assessment is to gauge the current state of overall ICD-10 readiness among our providers and to help us determine how we can best assist our providers through the transition to ICD-10. The questions in this assessment should take no more than 10 minutes to complete and all responses will remain anonymous. Please follow the link below to complete the survey no later than February 10, 2014:
