PERM FY2017 Records Requests

On 08/17/2017, Payment Error Rate Measurement (PERM) review contractor, Chickasaw Nation Industries (CNI) Advantage began contacting Alaska Medicaid providers on behalf of the Centers for Medicare and Medicaid Services (CMS) to request records that have been randomly selected for review.

CNI Advantage representatives will contact providers to explain the PERM process, the authority for CMS to collect medical records for audit purposes, and identify the appropriate point of contact for each provider.

Providers will have 75 calendar days from the date of the request letter to submit requested records to CNI Advantage.

Additional PERM resources and training materials are available from

- the Department of Health and Social Services (<http://dhss.alaska.gov/Commissioner/Pages/ProgramIntegrity/PERM>)
- CMS (<https://www.cms.gov/PERM>)

Please direct any questions to your Alaska Medicaid PERM contact, Faith Moss, 907.269.3020 or faith.moss@alaska.gov.

Your participation in this review is crucial to ensuring the integrity of the Alaska Medicaid program. Thank you for your immediate attention to all requests from CNI advantage.
