Re: 835 Electronic Remittance Advice Transmission Delay – Pharmacy Providers

Pharmacy Providers:

Pharmacy providers who receive their remittance advices (RA) via the 835 transaction will experience a slight delay in delivery with this week's cycle. The delay in the 835 transmission did not impact payment. The 835 electronic RAs are anticipated to be distributed to impacted pharmacies by 7/29/2016.

Pharmacy providers who receive paper remittance advices will not experience a delay in the receipt of the paper RA.

The 835 electronic remittance advice provides claim details for the billing provider including status and payment information.

Please contact me, at 907.334.2425 or erin.narus@alaska.gov, with any questions you may have regarding this delay.

Sincerely,

A handwritten signature in blue ink that reads "Erin Narus, PharmD, RPh".
