SINGLE DATE OF SERVICE BILLING

Effective with April 1, 2011 dates of service, claims should be submitted with a single date of service. Claim lines reporting more than one date of service (“spanned” dates of service) will no longer be accepted. (Claims for dates of service prior to April 1, 2011, may be billed with span dates or with single dates of service.)

For example, if the services were rendered on April 1, 2011, then the claim should be submitted with a “from” and “to” date of service of 040111 or 04012011 (MM/DD/YY or MM/DD/CCYY format).
