Title: **Behavioral Health and Mental Health Service Authorizations May Not Span End of State Fiscal Year 2014**

Issue Date: 05/12/2014

Run Length: 10 weeks

Provider Type(s): 107

Message: With the end of the state fiscal year on June 30, 2014, recipient service limits for behavioral health and mental health services will restart on July 1, 2014. Service authorizations (SA) for behavioral health and mental health services may not span these dates. To receive SA for service dates during this time, providers must submit an SA request that ends no later than June 30th and another one that begins no earlier than July 1st, if needed.

SAs for residential behavioral rehabilitation services are not subject to fiscal year date restrictions.
