Remittance Advice (RA) Message

Title: Claim Adjustments for Payments Received

Issue Date: 06/17/2015

Run Length: 8 weeks

Provider Type(s): All

Message: In 2013, an issue developed in the Alaska Medicaid Health Enterprise system that affected Alaska Medicaid received payments processing, specifically provider financial transactions and 1099s.

The issue was isolated to repayments from providers in the form of a check. These payments included transactions such as overpayment for anticipated voids or recoupments, TPL reimbursement, and advancement repayments made in 2014.

The issue was resolved in May 2015 and Xerox is currently processing all payments submitted by check during 2014. Affected providers will see adjustments to their financial accounts reflected on upcoming RAs in the Financial Transaction and Summary sections as they are processed.

Although the provider's financial transactions and current 1099 amounts may appear incorrect on the RA, the adjustments will have no impact on the final Year-To-Date Total Paid amount. All affected 2015 1099s will be manually reviewed to ensure all checks were processed and applied appropriately.

No action is required from providers. If you have any questions, contact Provider Inquiry at 907.644.6800, option 1, 1, or 800.770.5650, option 1, 1, 1 (toll-free in Alaska).
