Title: ICD-10 Diagnosis Codes for School-Based Services

Issue Date: 09/23/2015

Run Length: 6 weeks

Provider Type(s): 050

Message: Claims submitted for services rendered on and after October 1, 2015 must contain an ICD-10 diagnosis code. Claims submitted with ICD-9 diagnosis codes will no longer be accepted. For services rendered on and after October 1, schools are asked to use the student's approved IEP diagnosis description and map it to an equivalent ICD-10 diagnosis code for school-based services unless a more appropriate medical diagnosis is available from a medical provider who, within their scope of practice, is able to diagnose.
