Remittance Advice (RA) Message

Title: Provider Enrollment/Revalidation Fee Now Required for Groups and Facilities

Issue Date: 01/27/2016

Run Length: 12 weeks

Provider Type(s): All

Message: In compliance with 42 CFR 455.460 and effective March 1, 2016, group providers (but not individual members of groups) and facilities are required to submit an enrollment fee at the time of enrollment, revalidation and upon adding a new service location. The enrollment fee for CY 2016 is \$554 and will be adjusted annually based on the Consumer Price Index. Payment via check or cashier's check must be submitted with the signed Medicaid Provider Agreement. New enrollments and revalidations will not be approved until enrollment fees are received and deposited. Currently enrolled groups and facilities will not be required to remit this fee until the next revalidation cycle. Further, if a provider has already paid an enrollment fee to Medicare or another state Medicaid program, the Alaska Medicaid enrollment fee for that year is waived.
