### **Remittance Advice (RA) Message**

**Title: NCCI Edit Claim Denials and Appeals**

**Issue Date: 06/22/2016**

**Run Length: Continuous**

**Provider Type(s): All**

**Message:** Alaska Medicaid, like all other state Medicaid agencies, is required to enforce NCCI edits within the claims processing environment. Two types of edits are mandated: procedure-to-procedure and medically unlikely units of service. Services denied for NCCI edits should not be billed to the member. The denied service is a provider liability.

For more information on NCCI Methodologies, refer to the Health Enterprise NCCI webpage: <http://manuals.medicaidalaska.com/docs/ncci.htm>. Please see the provider flyer "NCCI Edit Claim Denials and Appeals" for additional links and information on the appeals process.
