Remittance Advice (RA) Message

Title: **Reminder: Pharmacy Cost of Dispensing Input Requested**

Issue Date: 02/22/2017

Run Length: 1 week

Provider Type(s): 070

Message: The Alaska Division of Health Care Services issued a Request for Information (RFI) regarding the development of a survey that will assess the cost of dispensing medications in Alaska. The Division is requesting input to identify areas of consideration that entities believe should be considered in a cost of dispensing survey. Input is requested from entities with experience responding to pharmacy cost of dispensing surveys, administering pharmacy cost of dispensing surveys, or providing outpatient pharmacy services.

If you wish to participate, additional information is available at <http://notice.alaska.gov/184564>.
