Remittance Advice (RA) Message

Title: **Third Party Liability (TPL) Avoidance for Exhausted Benefits**

Issue Date: 04/12/2017

Run Length: 6 weeks

Provider Type(s): All

Message: Providers submitting claims through the electronic data interchange (EDI) may now indicate when a member's third party benefits have been exhausted for the service(s) being billed. Using this process allows the claim to bypass a manual claims processor review when there are no third party payments due to exhausted benefits. For instructions on how to indicate exhausted benefits in electronic claims, please see provider flyer "Third Party Liability (TPL) Avoidance for Exhausted Benefits" available at <http://manuals.medicaidalaska.com/docs/updates.htm>.

Questions? Please contact the EDI Coordinator at 907.644.6800, option 3 or 800.770.5650 (toll-free), option 1, 4.
