Remittance Advice (RA) Message

Title: **Restorative Dental Procedures Billing Change**

Issue Date: 05/23/2018

Run Length: 8 weeks

Provider Type(s): 030

Message: Effective for services rendered on and after July 1, 2018, Alaska Medicaid will reimburse for one restoration procedure per tooth, per member, on a single date of service. All surfaces restored on a single tooth on the same date are considered connected. Do not submit claims for more than one restorative code per tooth per day.
