Message: Senate Bill 74 (2016) established the Coordinated Care Demonstration Project, to test the efficacy of new models of care in Alaska. In compliance with this initiative, the Department of Health and Social Services has contracted with UnitedHealthcare to provide managed care for Medicaid members within the Municipality of Anchorage and the Matanuska-Susitna Borough. The anticipated go-live date for this program is October 1, 2019. For more information regarding this managed care project, please see the April 1, 2019 flyer "UnitedHealthcare: Alaska Managed Care Plan" available on the [Provider Updates page](#) (<http://manuals.medicaidalaska.com/docs/updates.htm>).
