Remittance Advice (RA) Message

Title: Rate Reductions for Waiver Services Will Not Take Place

Issue Date: 12/19/2019

Run Length: 6 weeks

Provider Type(s): 047, 048, 049, 061, 068

Message: The Department of Health and Social Services (DHSS) will not implement planned rate reductions to providers of Medicaid home and community-based waiver services. DHSS has determined that the reduction in payment rates would adversely impact delivery of waiver services.
