### Remittance Advice (RA) Message

Title: **Alaska Medicaid Provider Training Available Online**

Issue Date: 03/16/2020

Run Length: 9 weeks

Provider Type(s): All

Message: Following CDC recommendations concerning public gatherings, until further notice all instructor-led provider training sessions will be delivered online. Classes offered online are the same as those available at in-person classes, and attendees have the same opportunities to ask questions.

Information about how to attend the online sessions is included in the training flyers posted under the **2020 Provider Training Schedule** on the [Alaska Medicaid training](#) page. There is no need to register beforehand.
