Remittance Advice (RA) Message

Title: **Outpatient and Physician-Administered Drugs: Claims Coding Reminder**

Issue Date: 03/27/2020

Run Length: 6 weeks

Provider Type(s): All

Message: Effective April 25, 2020, Alaska Medicaid Health Enterprise will be updated to validate the accuracy of Medical Pharmacy claims (aka. Physician Administered Drugs, "J-codes"). To maintain compliance with federal law and regulation, claims for all covered outpatient drugs, including physician administered drugs, must be invoiced for rebate. Please review the 01/28/2019 [NDC Requirements and Policy Guidance](#) if you have any questions. Questions? Contact Jamie Lang at jamie.lang@alaska.gov or 907.334.2654.
