Remittance Advice (RA) Message

Title: Dental Codes That Require Additional Information

Issue Date: 04/28/2021

Run Length: 8 weeks

Provider Type(s): 030, 110

Message: For all dental procedures that require additional information such as tooth number or surface code, providers must include the additional information in the appropriate fields as identified on the ADA form fields 25 – 28.

Claims that do not include the additional information may be subject to denial.
