Remittance Advice (RA) Message

Title: **Non-Emergent Transportation Provider Attestations Now Available**

Issue Date: 12/15/2021

Run Length: 8 weeks

Provider Type(s): 082, 083, 086, 100

Message: Non-Emergent Transportation provider attestation forms are now available on the [Provider Enrollment Forms](#) page. By December 27, 2021, ground transportation providers and drivers will need to complete and submit attestations for the organization and all drivers participating in the AK Medicaid program for their enrollment to remain active. Instructor-led training is currently being offered online through December 30. For specific dates and times, check the flyer posted on our [training page](#). The same materials are being presented at each of the training sessions. Providers do not need to attend more than one session of each class. There is no need to register for these classes – use the meeting links provided to attend.
