### **Remittance Advice (RA) Message**

**Title:** **Alaska Medicaid Policy Guidance for High Index Lenses**

**Issue Date:** 7/27/2022

**Run Length:** 8 weeks

**Provider Type(s):** 035 and 075

**Provider Specialty:** 018

**Message:** Effective 9/1/2022, Alaska Medicaid will require the use of code v2782 or V2783 when requesting a service authorization for high index lenses. Miscellaneous code V2799 will no longer be accepted for these requests. For more information, refer to policy guidance, [Alaska Medicaid Vision Services Coverage for High Index Lenses](#)
