

IRS Form 1095-B Frequently Asked Questions

The IRS Form 1095-B contains health coverage information for the covered individual and serves as proof of qualifying health insurance through Alaska Medical Assistance during some or all of the previous calendar year.

Do I need to submit my 1095-B form with my tax return?

No, you are not required to submit a 1095-B form with your tax return.

Will my 1095-B form be mailed to me?

Because you are not required to submit a 1095-B form with your tax return, the form 1095-B will be sent to Alaska Medicaid recipients only upon request.

Should I request a 1095-B form?

You are not required to submit a 1095-B form with your tax return; however if you or your tax professional decide that you need your 1095-B form, it will be mailed to you upon request.

How do I request my 1095-B form?
