Issue Date: 08/24/2016

Run Length: 6 weeks

Provider Type(s): 083

Message: 7 AAC 105.400(24) prohibits enrolled providers from billing Alaska Medicaid a higher rate for services furnished to an Alaska Medicaid recipient than for comparable services furnished to an individual who is not eligible for Medicaid.

Providers who fail to comply with 7 AAC 105.400(24) will be required under 7 AAC 105.410 to repay those claims, and may be subject to additional audits, prepayment review of claims, temporary suspension, and/or permanent termination from the Alaska Medicaid program.

Please make sure the rate you bill to Alaska Medicaid is not higher than your rate for the general public.
