### Remittance Advice (RA) Message

Title: **Changes to Dental Services Coverage**

Issue Date: 08/28/2017

Run Length: 8 weeks

Provider Type(s): 030, 110

Message: Alaska Medicaid has adjusted the coverage of the following dental services for both children and adults (unless otherwise noted) effective 08/01/2017:

- Tobacco cessation counseling (D1320) is not a separately billable service; when appropriate, provider should include in the oral evaluation a referral to the Alaska Quit Line, 888.842.7848
- Oral evaluations (D0120, D0150) are limited to one time per calendar year for adults (age 21 and older)
- Fluoride treatment applied topically (D1206, D1208) is limited to four times per calendar year
- Prophylaxis – Adult (D1110) is limited to two times per calendar year

The fee schedule for dental services provided on and after July 1, 2017 is now available at
