Remittance Advice (RA) Message

Title: **Reminder: Medical Justification Required for Dental Anesthesia and Sedation**

Issue Date: 02/21/2018

Run Length: 8 weeks

Provider Type(s): 030, 110

Message: Alaska Medicaid reminds providers that medical justification is required for billing dental codes for general anesthesia and intravenous moderate (conscious) sedation, and that documentation must be submitted with claims for reimbursement. For general anesthesia/IV sedation coverage conditions and medical justification requirements, please see provider flyer "Medicaid Compliance Notice: Medical Justification Requirements for Dental Anesthesia and Sedation" available on the Provider Updates page at <http://manuals.medicaidalaska.com/docs/updates.htm>.
