Remittance Advice (RA) Message

Title: CMS Certifies Alaska Medicaid MMIS

Issue Date: 10/02/2018

Run Length: 8 weeks

Provider Type(s): All

Message: On September 28, 2018, the Centers for Medicare and Medicaid Services approved the Department of Health and Social Services' request for certification of its Medicaid Management Information System (MMIS). Certification allows the department to receive 75 percent Federal Financial Participation (FFP) funds for costs associated with implementation of the system.
