Title: **Paper Checks Delayed Due to 11/30/2018 Earthquake; EFT Encouraged**

Issue Date: 12/04/2018

Run Length: 2 weeks

Provider Type(s): All

Message: Due to the earthquake that occurred on November 30, 2018, providers may experience a delay in receiving paper checks.

In future events, the State of Alaska strongly recommends that providers use Electronic Funds Transfer (EFT) to accept weekly payments. The Update Information for Electronic Funds Transfer form is available at <http://manuals.medicaidalaska.com/docs/enrollmentforms.htm>.
