Remittance Advice (RA) Message

Title: **Hospital and LTC Alternate Care Sites/Additional Beds During COVID-19 Public Health Emergency**

Issue Date: 04/07/2020

Run Length: 6 weeks

Provider Type(s): 001, 002, 005, 010

Message: Hospitals and long term care (LTC) facilities may apply to temporarily increase bed numbers or provide care and services at alternate care sites. This process applies to both tribal and non-tribal facilities as an emergency action to maintain an accurate record of available beds, statewide. Visit [Health Facilities Licensing and Certification](#) for more information and to access the [Hospital/LTC Emergency Licensure Application](#).
