### Remittance Advice (RA) Message

Title: **Older Alaskans and Front-Line Essential Workers among Those Next in Line for COVID-19 Vaccine**

Issue Date: 01/04/2021

Run Length: 4 weeks

Provider Type(s): All

Message: In January, Alaska will receive another 52,900 doses of COVID-19 vaccine for use in Phase 1b. Vaccine distribution continues across the state through a phased allocation plan, with Alaskans in Phase 1a, Tiers 1 and 2 already receiving their first dose of the vaccine.
