**Title: Have You Renewed and Updated Your Licenses Expiring in 2021?**

**Issue Date: 09/22/2021**

**Run Length: 8 weeks**

**Provider Type(s): All**

**Message:** Alaska Medicaid would like to remind all providers to check licensure expiration dates. Many professional and business licenses expiring in 2021 have not been renewed and/or updated with Alaska Medicaid Provider Enrollment. These licenses must be renewed and updated by their expiration date. Medicaid claims will deny for dates of service after the expiration date. Please submit a copy of each renewed license to Conduent by fax to 907.646.4273, or by mail to:
