Remittance Advice (RA) Message

Title: **Care Management Program Class Now Available**

Date: 01/19/2022

Run Length: 8 weeks

Provider Type(s): All

Message: An updated class on the care management program has been added to the roster of provider training classes! This class will discuss what the care management program is, what providers need to know about working with members in the care management program, and billing considerations. Check out our [training page](#) for the upcoming class schedules and registration information!
