Title: **Consent for Sterilization (HHS-687) Form is Updated**

Issue Date: 08/24/2022

Run Length: 6 weeks

Provider Type(s): 001, 005, 020, 021, 034

Message: The Department of Health and Human Services has issued an update to the Consent for Sterilization (HHS-687) form that previously expired April 2022. The revised form now shows an expiration date of 7/31/2025 and can be found on the [Alaska Medicaid Forms page](#). All other versions of this form are now obsolete and will not be accepted. Claims submitted to Alaska Medicaid with patient counseling dates after 8/31/2022 with an obsolete version of this form will be denied for missing/incomplete documentation.
