Message: The Alaska Medicaid Pharmacy Program is recruiting providers for the Pharmacy and Therapeutics and Drug Utilization Review committees. The committees work directly with the preferred drug list and evaluate clinical data for appropriate utilization in most classes and drugs. There are four meetings per year September, November, January, and April all falling on the third Friday of the month. The P&T meeting time is 8AM – 12PM and the DUR 1PM – 4PM. There is also an honorarium for each of the meetings attended. If you are interested in serving on these committees please contact [charles.semaling@alaska.gov](mailto:charles.semaling@alaska.gov) to start the application process. Thank you for your interest in serving your fellow Alaskans and promoting a more sustainable healthcare system.
