Title: **Clarification for Billing Exact Mileage on Ambulance Claims**

Issue Date: 10/5/2022

Run Length: 8 weeks

Provider Type(s): 082, 102

Message: Air and ground ambulance providers are required to submit exact statute mileage in Health Enterprise down to the partial mile. Reported statute mileage on the submitted claim must exactly match the reported mileage on the medical justification documents attached to the tenth of a mile. Do not round mileage to the tenth of a mile, report the exact mileage. Claims that contain statute mileage not matching the medical justification documents will be denied.
