Remittance Advice (RA) Message

Title: **Air Ambulance Flight Summary Update**

Issue Date: 02/01/2023

Run Length: 8 weeks

Provider Type(s): 102

Message: Alaska Medicaid has revised the [Air Ambulance Flight Summary form](#). Changes include a section for air ambulance providers to disclose if the aircraft has GPS capabilities and a section to disclose how the aircraft calculates mileage if no GPS capability was available on the flight. The updated form is available for use immediately and will be required for all air ambulance claims submitted on or after 3/1/2023. As a reminder, all sections of the form must be completed; Incomplete forms will result in a denied claim.
