### **Remittance Advice (RA) Message**

**Title: Adult Preventive Services Coverage Chart**

**Issue Date: 03/07/2023**

**Run Length: 12 weeks**

**Provider Type(s): All**

**Message:** The Adult Preventive Services billing manual is close to completion and will be available soon. To assist providers in the interim, Alaska Medicaid has developed a reference tool that provides information on what preventive services are covered and how to bill for those services. Please see the [Adult Preventive Services Coverage Chart](#) for more information.
